**WEDDING DAY LOGISTICS**

On the wedding day, the hair will be done following a schedule. The bride must communicate the importance of being on time and properly prepared. Every person getting their hair done in a special occasion style, half-up style, or curls must have their hair already **blown dry**. The stylist will not allow time for this. The Bride must confirm and commit to the number of services stated above. Charges will include all people stated above. The stylist needs a designated space to set up when on location. The bride is responsible for clearing an area before the stylist arrives. The stylist will need a work area with a chair near an outlet in a no walk-through traffic area. Good light and a mirror is a plus! If services cannot be performed due to insufficient work conditions or tardiness, all fees still apply. The hair stylist will not be held liable for any injuries that should arise while on location.

**Trial run:**

A trial run is recommended for the bride. This needs to be booked at least 30 days prior to the wedding day. Based on availability, the actual trial run appointment can be up to 1 week before the wedding.

**Wedding Day:**

The bride agrees to pay in full on the wedding date or before the wedding. The **total amount due is based on the wedding day services requested**. The total fee is due to the hair stylist as described, regardless of internal arrangements between the bride and the others receiving services. The payment can be cash, Visa or MasterCard or check.

**PARKING FEES: Where parking, valet or toll fees may be incurred; the amount will be included with the final bill and due for payment on the day of the event.**
